STATEMENT BY J. STROM THURMOND USED IN GREETING
DAV TO GREENVILLE, SOUTH CAROLINA AT ANNUAL
CONVENTION.

On behalf of the State of South Carolina, it gives me great pleasure to extend greetings and best wishes to our Disabled American Veterans on the occasion of their annual convention. As a member of the D. A. V., I have had ample cause to be proud of the fine work and noble aims of this organization, which has done and is doing so much to assist South Carolina veterans, and to further the cause of true Americanism. I am sure the heartfelt goodwill of all South Carolina citizens is with us as we meet together.
